FUN FACTS ABOUT ME:

1. I have 2 silly daughters.
2. I love playing softball.
3. I am a Harmony Township and Belvidere High School Alumni!
4. I love, love, love food!

CLASS EXPECTATIONS

Behavior & Discipline

- Students are expected to be kind and respectful towards each other, especially during class discussions
- Don't be late to class.
- Focus on maturity!

Participation & Attendance

This year, Google Meets are open at the beginning of every period. Students are expected to log in and participate during the class period. They will be expected to take notes, answer questions, and be involved in our classroom discussions while in-person and virtual!

Technology in My Classroom

Everything anybody could ever possibly need is in Google Classroom! Each period has their own section. All of the Documents and Assignments are uploaded there. I use Genesis as my Gradebook, which is updated daily.

Homework/Grading Policy

- I accept late work. It loses a letter grade for every class period that it is missing.
