

## Meet the Teachers!

# STEPHANIE GOLDA

### English Teacher:

- English 11
- English 3 College Preparatory
- English 3 Honors
- AP English Literature and Composition

### EDUCATION & DEGREES

Montclair State University - Bachelor's Degree: English, Secondary Education

### FAVORITE TOPICS TO COVER:

- Archetypes in literature
- Shakespeare and Plays
- American classics like To Kill a Mockingbird and A Farewell to Arms
- Literary Theories

### FUN FACTS ABOUT ME:

1. This is my 8th year teaching full-time at BHS and my 10th year of teaching overall.
2. I am currently the Drama Club Advisor and the Senior Class Advisor.
3. I love anything to do with theater, especially helping students shine onstage and behind-the-scenes.
4. I got engaged this past Christmas and we are currently planning our wedding for September 2021!

### CLASS EXPECTATIONS

#### Behavior & Discipline

Students are expected to be respectful to themselves and others (including other students and the teacher) AT ALL TIMES. While students may disagree with one another, we must do so in a gracious and respectful manner.

#### Participation & Attendance

My classes will start with a daily Google Meet at the beginning of class to review assignments and check in for attendance. Some days students will be expected to remain on the Google Meet for direct instruction, while other days they will be given the opportunity to sign off early to work on assignments.

#### Technology in My Classroom

Google Classroom is the hub for all class assignments and materials this year! I will post upcoming weekly updates on Friday afternoons, in addition to all assignments. Even if they are on different platforms, I will make sure to post links on Google Classroom.

#### Homework/Grading Policy

All assignments are points-based. Students can tell how much an assignment is worth (how important it is and how it is weighted) by how many points are assigned to it. Missing work should be completed as quickly as possible, and students can discuss with me if they are having issues.
