

Meet the Teachers!

DAVID WEHR

I teach the following:
AP Biology
Honors & CP Biology
Ecology

EDUCATION & EXPERIENCE

Desales University - Bachelor's of Science, Biology ('00)

DeSales University - Secondary Education Certificate ('03)

Children's Hospital of Philadelphia - Research Biologist ('01-'03)

FAVORITE TOPICS TO COVER:

- Molecular Genetics & Heredity
- Evolutionary Biology
- Biotechnology & Bioethics

FUN FACTS ABOUT ME:

1. I played soccer in college.
2. I'm a 4 for 4 Philly sports fanatic.
3. I helped successfully clone a gene that regulates heart valve development.

CLASS EXPECTATIONS

Behavior & Discipline

- Students are expected to show respect for others, as well as themselves.
- Showing disrespect to another will not be tolerated.
- All classroom rules must be followed both while in the building and virtually.

Participation & Attendance

Students MUST be present while class is in session. When virtual, you must be present on Google Meet and must respond when contacted. Students that are not present on Google Meet during class, leave early, or do not respond to cues will be marked absent.

Technology in My Classroom

Google Classroom is where all assignments and class material are posted. I'll also use different tech tools like Flipgrid, Nearpod, and Canva to complete assignments and teach lessons. I also use several laboratory databases for labs.

Homework/Grading Policy

- Homework should be handed in by the due date.
 - Any late work submitted after the due date will not receive full credit.
