### CLASS EXPECTATIONS

#### Behavior & Discipline

- Students are expected to show respect for others, as well as themselves.
- You don't have to agree with everyone, but you need to respect the person's right to have the opinion.

#### Participation & Attendance

This year, I'm using Google Meet to track attendance and keep my students connected and engaged with each other, whether in person or virtually. Students are expected to be present and participate. If you're having tech issues or can't log on, email me ASAP.

#### Technology in My Classroom

Google Classroom is where all assignments and class material are posted. I also use Kami a lot where students will be able to highlight, write, or type on worksheets I put on Google Classroom. I may also use No Red Ink and other various platforms.

#### Homework/Grading Policy

- Homework should be handed in by the due date.
- Any late work submitted will receive partial credit.
