CLASS EXPECTATIONS

Behavior & Discipline

- Students are expected to show respect for others, as well as themselves.
- You don't have to agree with everyone, but you need to respect the person's right to have the opinion.

Participation & Attendance

This year, I'm using Google Meet to track attendance and keep my students connected and engaged with each other, whether in person or virtually. Students are expected to be present and participate. If you're having tech issues or can't log on, email me ASAP.

Technology in My Classroom

Google Classroom is where all assignments and class material are posted. I'll also use different tech tools like Flipgrid, Nearpod, Canva, and even the Whiteboard in Google Meet to assign work and teach lessons!

Homework/Grading Policy

- Homework should be handed in by the due date.
- Any late work submitted within a week's time will receive partial credit.
