CLASS EXPECTATIONS

Behavior & Discipline

- Students are expected to show respect for others, as well as themselves.

Participation & Attendance

This year, I'm using Google Meet to track attendance and keep my students connected and engaged with each other, whether in person or virtually. Students are expected to be present and participate.

Technology in My Classroom

Google Classroom is where all assignments and class material are posted. I'll also use different tech tools like Kami, Nearpod, and Canva to assign work and teach lessons.

Homework/Grading Policy

- Homework should be "turned in" on Google Classroom by the due date.
- Students and parents can check Genesis for up-to-date grades.

Communication is Key

- Students MUST check email frequently as I email updates, reminders, and information about grades.
- I also have my own "office" in Google Classroom where I post reminders and offer office hours for extra help via Google Meet. Code: d5reexh
