A Message from Superintendent Carrubba

After much consideration and discussion, we have made the decision to switch to all remote, district-wide through the Holiday break.

I will also be recommending the following change to our calendar to the BOE at Wednesday's meeting: we extend our Holiday break by 3 days and have our schools reopen on 1/7. We will be virtual on 1/7 and 1/8 and return to the in-person learning district-wide on 1/11.

Thank you again for all that you do for our students and community. We have a great deal to be proud of this year and what we have been able to accomplish given the circumstances.
