Fort Wayne, IN 46801-2338
Residents of New Jersey who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the New Jersey Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy-holders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers’ care in selecting companies that are well-managed and financially stable.

**DISCLAIMER**

The New Jersey Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in New Jersey. You should not rely on coverage by the New Jersey and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the New Jersey Life and Health Insurance Guaranty Association Act, N.J.S.A. 17B:32A-1, et seq. (the “Act”). The following is a brief summary of this law’s coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone’s rights or obligations under the act or the rights or obligations of the guaranty association.

(please turn to back of page)
COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in New Jersey and hold a life, health or long-term care insurance contract, annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Association if:

• they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
• the insurer was not authorized to do business in this state;
• the policy was issued by an organization which is not a member of the New Jersey Life and Health Insurance Guaranty Association.

The Association also does not provide coverage for:

• any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
• any policy of reinsurance (unless an assumption certificate was issued);
• interest rate yields that exceed an average rate as more fully described in Section 3 of the Act;
• dividends;
• credits given in connection with the administration of a policy by a group contractholder;
• employers’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay. The Association cannot pay more than what the insurance company would owe under a policy or contract. With respect to any one insured individual, regardless of the number of policies or contract, the Association will pay no more than $500,000 in life insurance death benefits and present value annuity benefits, including net cash surrender and net cash withdrawal values. Within this overall limit, the Association will not pay more than $100,000 in cash surrender values for life insurance, $100,000 in cash surrender values for annuity benefits, $500,000 in life insurance death benefits or $500,000 in present value of annuities—again no matter how many policies and contracts that were with the same company, and no matter how many different types of coverages. The Association will not pay more than $2,000,000 in benefits to any one contractholder under any one unallocated annuity contract. There are no limits on the benefits the Association will pay with respect to any one group, blanket or individual accident and health insurance policy.

4. A birthing center.

Incurs or Incurred: Covered Expenses for:

1. services and treatments actually received within the applicable Benefit Period; and

4. not primarily for the convenience of the Insured Person or Insured Person’s Physician, or another health care Provider; and
5. the most appropriate supply or level or service which can safely and effectively be provided.

Mental and Nervous Disorders: Nervous, emotional, and mental disease, illness, syndrome or dysfunction classified in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM) and its successor, as a mental disorder on the date of medical care or treatment is rendered to an Insured Person by a Physician and to the extent that the mental or nervous disorder is a result of a covered Accidental Injury as determined by a Physician.

Nurse: A licensed registered nurse (R.N.) or licensed practical nurse (L.P.N.) who:

1. is properly licensed or certified to provide medical care under the laws of the state where the nurse practices;
2. provides medical services which are within the scope of the nurse’s license or certificate;

**Reasonable Charge:** The most common charge for similar professional services, drugs, procedures, devices, supplies or treatment within the area in which the charge is incurred. The most common charge means the lesser of:
1. the actual amount charged by the Provider; or
2. the negotiated rate that the Provider has agreed to accept (in absence of a network-negotiated reimbursement agreement), if any; or
3. the fee most often charged for in the geographical area where the service was performed.

The Reasonable Charge is determined by comparing charges for similar services to a national database adjusted to the geographical area where the services or procedures are performed, by reference to the 75th percentile of FairHealth schedules. The Insured Person may be responsible for the difference between the Reasonable Charge and the actual charge from the Provider.

For a Provider who has a reimbursement agreement, the Reasonable Charge is equal to the amount that constitutes payment in full under any reimbursement agreement with Us, either directly or indirectly through a third party network with which the Provider has contracted to provide services at a negotiated, discounted rate. If a Provider accepts as full payment an amount less than the rate negotiated under the reimbursement agreement, the lesser amount will be the maximum Reasonable Charge.

**ADMINISTRATIVE PROVISIONS**

**Premium**
The Premium rates, and the method and timing of premium payments, are as agreed upon by the Policyholder and Us. Premiums must be paid to Our Home Office or to one of Our representatives.

**Policy Terminations**
This Policy can be terminated at any time by written notice mailed or delivered by Us to the Policyholder or by the Policyholder to Us. Such notice must be provided at least 31 days in advance of the termination date.

If the Policyholder terminates the Policy, termination will become effective at 12:01 a.m. local time, based on the Policyholder’s address, when We receive notice or the date specified in the notice, whichever is later.

In either event, We will promptly return any unearned Premium paid or the Policyholder will promptly pay any earned Premium which has not been paid.

Neither termination of the Policy nor termination of the Insured Person’s coverage under the Policy shall prejudice the settlement of any Claim for Loss where the Accident precipitating the Loss occurred on or before the date of termination.
Term of an Insured Person’s Coverage
A person’s coverage begins on the later of:
1. the Effective Date of the Policy; or
2. the Effective Date of the Participating Organization, if applicable; or
3. when he or she becomes an Eligible Person.
An Insured’s coverage ends on the first of these to occur:
1. when he or she is no longer an Eligible Person; or
2. the end of the last day for which Premium has been paid; or
3. the date the Insured dies; or
4. the termination date of the Participating Organization, if applicable; or
5. the termination date of the Policy.
Termination will not affect a Claim which occurs before the coverage ends.

BENEFIT PROVISIONS

Maximum Benefit Amounts
The Maximum Benefit Amounts which apply to an Insured Person are shown in the Schedule of Benefits.

ACCIDENT MEDICAL EXPENSE BENEFITS
If, as a result of an Accidental Injury which occurs while participating in a Covered Activity, an Insured incurs Covered Expenses during the Benefit Period specified in the Schedule of Benefits, we will pay:
1. Covered Expenses Incurred that exceed any applicable Deductible, specified in the Schedule of Benefits; and
2. as long as the first expense has been Incurred within the Loss Period specified in the Schedule of Benefits; and
3. until the total paid for Covered Expenses Incurred equals any applicable Benefit percentage, Benefit sub-limit, or maximum shown in the Schedule of Benefits; or
4. until the end of the Benefit Period shown in the Schedule of Benefits; or
5. until Benefits paid equal the Maximum Benefit Amount for the Accident Medical Expense Benefits shown in the Schedule of Benefits.

Covered Expenses for this Benefit means the Medically Necessary and Reasonable Charges for services, supplies, and treatment provided or prescribed by a Physician for which an Insured Person is required to pay, except as may be limited in the Schedule of Benefits and subject to all applicable conditions, exclusions and limitations.

We will pay Covered Expenses Incurred for dental treatment as a result of Injury to a Sound Natural Tooth. For dental services, there is often more than one Service that can be used to treat a dental problem. In determining the Benefits, different materials and methods of treatment will be considered. The amount payable will be limited to the Covered Expense for the least costly Service, which meets commonly accepted standards of the American Dental Association. The Insured Person and his or her Provider may decide on a more costly procedure or material than We have determined to be satisfactory for the treatment of the condition. We will pay a Benefit toward the cost of the more expensive procedure or material, but payment will be limited to the Benefits payable for Covered Expenses for the least costly Service. We will not pay the excess amount.

When multiple surgeries are performed through the same incision at the same operative session, We will pay an amount not to exceed the Benefit for the most expensive procedure being performed.

ACCIDENTAL DEATH AND SPECIFIC LOSS BENEFIT
Payment for any Accidental Death and Specific Loss Benefit will be subject to all of the following conditions:
1. The Loss is caused solely by an Accident; and
2. The Loss is not excluded by the terms of the General Exclusions section of this Policy; and
3. The Accident must occur while the Insured Person is participating in a Covered Activity; and
4. The Loss must occur within 180 days after the date on which the Accident occurred.

---|---

**Right of Recovery**

If the amount of the payment made by Us is more than We should have paid under the Policy, We may recover the excess from one or more of: (a) The person We have paid or (b) The person for whom We have paid. The amount of the payments made includes the reasonable cash value of any Benefit provided in the form of services.

**CLAIM PROVISIONS**

**Notice of Claim**

Written Notice of Claim must be given to Us or Our authorized representative within 20 days after a covered Loss starts, or as soon thereafter as is reasonably possible. Failure to provide notice within the required time period will not reduce or invalidate the claim if it was not reasonably possible to give such notice and the notice was given as soon as reasonably possible. Notice should include: (1) the Policy number; (2) the Policyholder’s name and address; (3) the Covered Group’s name and address; (4) the Insured’s name and address; and (5) the Claimant’s name and address. When we receive Notice of a Claim that does not contain all the necessary information a request for the missing information will be sent to the Claimant.
Claim Forms
Claim forms are provided to the Policyholder at the time the Policy is issued. If you ask us for a claim form, but you do not receive the form within 15 days after asking for it, then you should send written proof (or telephonic or electronic proof, if we have agreed to accept such forms) of your claim to us without waiting for the form. If not, the Proof of loss requirements can be met without using Our forms. Simply send a written statement indicating the date of the Injury as well as the nature and extent of the loss to Our Home Office or to one of Our representatives. Proof of loss must be sent within the time limits stated in the next paragraph.

Proof of Loss
Written Proof of loss must be sent to Our Home Office or to one of Our representatives within 90 days after: (1) the end of any period of Inpatient Confinement for which Claim is made; or (2) the date of Loss on any other Claim. Failure to furnish the Proof of Loss within the time required does not invalidate or reduce a claim if it was not reasonably possible to submit the Proof within the required time, if the Proof is furnished as soon as reasonably possible. We retain the right to make subsequent requests for Proof of loss if required to accurately evaluate and process the Claim. Failure of a Claimant to cooperate with Us in the administration of a Claim may result in the termination of a Claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether Benefits are payable or the actual amount due.

Payment of a Claim
We will pay Loss of life Benefits to the Insured’s Beneficiary on file with Us at time of payment. If more than one Beneficiary is shown, We will pay the applicable percentage specified to each. If no amount and/or percentage are specified, We will divide the death Benefits equally among those Beneficiaries living at the time of the Insured’s death. We are not responsible for the validity of a Beneficiary designation or change. If there are no such Beneficiaries on file, or if none are living at the time of the Insured’s death, We will pay the death Benefits to: (1) the Insured’s estate; or (2) at Our option, to one or more of the first surviving class of the following classes of successive preference Beneficiaries — the Insured’s surviving: (a) spouse; (b) children; (c) parents; or (d) brothers and sisters, equally.

All other Benefits that are not assigned will be paid to the Insured if living; otherwise, at Our option, to those as shown in the paragraph immediately above.

If payment is to be made to: (1) an Insured’s estate; or (2) to an Insured or Beneficiary who is a minor or otherwise not competent to give a valid release, We may pay up to $1,000 to the Insured’s parent or legal guardian, to a person supporting the Insured, or to any family member of either the Insured or his or her Beneficiary whom We consider to be entitled to the payment.

Subject to any written direction of the Insured, or of the legal or natural guardian of the Insured if the Insured is a minor or otherwise incompetent to make such a direction, all or a portion of any indemnities provided by the Policy as a result of medical, surgical, dental, Hospital or nursing service may be paid directly to the hospital or person rendering such services provided, further, that authorization for any such payments has been obtained from the Insured. If payment is made to the Insured, in no event will We pay any amount greater than the amount actually paid by the Insured.

It is not required that a service be furnished by a specific Provider. Payments made by Us in good faith satisfy Our legal duty to the extent of the payment. All payments made by Us will be made in United States dollars.

Time of Payment
After receiving proper written Proof of loss, We will pay the periodic Benefits due, no less often than monthly (unless otherwise stated in the Policy), while the loss and our liability continue. When Our liability ends, We will pay any balance still due after We receive the proper written Proof of loss. Benefits for other losses (including Covered Expenses) will be paid within 30 days after We receive proper written Proof of loss, or sooner if required by state law. If We fail to pay the benefit due within this time period, any applicable interest will accrue at the interest rate required by the state.

Assignment
We are not bound by an assignment of Benefits until We or one of Our representatives receives it in writing from the Insured (Insured’s parent, if a minor) or his or her legal guardian. We are not responsible for its validity.

Physical Examination and Autopsy
We reserve the rights to have a Physician of Our choice examine the Insured whose condition is the basis of a Claim. This may be done as often as reasonably necessary while a Claim is pending or while We are paying Benefits. We may also require an autopsy, unless forbidden by law. These will be at Our expense.

Free Choice of Physician
The Insured has a free choice of a Physician, Hospital, or other eligible Provider. The Physician-patient relationship will be maintained.
Common Accident
If the Insured and his or her Beneficiary die from the same Accident without enough evidence that both died other than at the same time, the Insured’s Benefits will be paid as if he or she died last.

Legal Action
No action at law or in equity to recover under the Policy may be brought against Us before 60 days after the time written Proof of loss has been sent as required by the Policy. No such action may be brought more than 3 years after the time written Proof of loss is required to be sent or after the expiration of the applicable statute of limitations, whichever is greater.

Recovery of Overpayment
Payments made by Us which exceed the appropriate amounts payable are recoverable by Us from or among any persons or other entities to whom such payments were made.

GENERAL PROVISIONS

Agency
The Policyholder and any administrator appointed by the Policyholder shall not be considered Our agents for any purpose. We are not liable for any of their acts or omissions.

Changes in Policy
The terms of the Policy can be changed only by written agreement between the Policyholder and Us. Agreement for Us can only be made by Our Executive Vice President or Our Corporate Secretary. Any changes made by written amendment to the Policy will be signed by both the Policyholder and Us. No agent has authority to contract directly with Us for the Policy or to change, alter or amend any of its terms or provisions in any way.

Clerical Error
Any clerical error by the Policyholder or Us in keeping relevant records, or a delay in making any entry, will not void any insurance otherwise validly in force or continue insurance otherwise validly terminated. When a clerical error or delay is found, Premiums and Benefits will be adjusted based on the true facts and the provisions of the Policy.

Conformity with State Laws
The insurance laws of some states require that certain Policy provisions comply with the law of the state for all permanent residents of the state. Any Policy provision herein which does not conform with such law is hereby modified to the minimum extent necessary to satisfy legal requirements. However, any such provision is modified only for an Insured Person who is a permanent resident of the state at the time Covered Expenses are actually incurred as defined herein.

Entire Contract
The entire contract consists of:
1. the Policy; and
2. the Certificate, and
3. any Riders, Endorsements and Amendments, if any, adding or changing the provisions of the Policy or applicable Certificate; and
4. the Application of the Policyholder and Participating Organization.
All statements made in the Application by the Policyholder shall be deemed representations and not warranties.

Incontestability
Except for material fraudulent misstatements, the Policy will be incontestable, except for non-payment of Premium, after it has been in force for two years.

Individual Certificates
We will make a Certificate available to each Insured Person under the Policy. Certificates will state the insurance protection to which an Insured Person is entitled and to whom the Benefits are payable.

New Entrants
New persons to the groups or classes eligible for insurance must be added to the groups or classes for which they are eligible.

Non-Participating
The Policy is non-participating. This means that it does not share in Our surplus earnings.

Nonduplication of Benefits
If any item of expense is payable under more than one provision of the Policy, payment will be made only under the provision providing the greater Benefit.
Policyholder Required Information
Certain facts are needed to administer the Policy. We have the right to decide which facts We need. The Policyholder is required to comply with any reasonable request for information which We deem necessary to administer the Policy. We have the right to inspect any records of the Policyholder that have a bearing on the insurance or Premium under the Policy.

Workers' Compensation Not Affected
The Policy does not replace or change any requirement for coverage under Workers' Compensation insurance.
EXCESS BENEFITS RIDER

The Effective Date of this rider is the Effective Date of the Policy to which this rider is attached. It applies only with respect to Accidents that occur on or after that date. The Policy/Certificate is amended as described below. All other terms, provisions, limitations and exclusions remain unchanged except as specifically noted within this Benefit Rider.

We will not pay Benefits under the Basic Accident Medical Expense for Covered Expenses to the extent that they are collectible under another Health Care Plan.

We will pay for Covered Expenses denied under any other Health Care Plan as being out of network or out of the service area, subject to all the terms and limitations of the Benefit.

When Benefits under any other Health Care Plan are covered under the Policy, and coverage under the Policy and the other Health Care Plan are excess, we will pay a pro rata share of the total amount of Covered Expenses. In no case will the total benefits payable exceed 100% of the Covered Expenses. Our pro rata share will be based on the total of Benefits payable under the Policy in proportion to the total of Benefits payable by all Health Care Plans for the same Covered Accident.

This Aggregate Limit of Liability applies only to Accidental Death and Specific Loss and related Benefits.

Reasonable Charge: The most common charge for similar professional services, drugs, procedures, devices, supplies or treatment within the area in which the charge is incurred. The most common charge means the lesser of:
1. the actual amount charged by the Provider; or
2. the negotiated rate that the Provider has agreed to accept (in absence of a network-negotiated reimbursement agreement), if any; or
3. the fee most often charged for in the geographical area where the service was performed.

The Reasonable Charge is determined by comparing charges for similar services to a national database adjusted to the geographical area where the services or procedures are performed, by reference to the 75th percentile of schedules. The Insured Person may be responsible for the difference between the Reasonable Charge and the actual charge from the Provider.

For a Provider who has a reimbursement agreement, the Reasonable Charge is equal to the amount that constitutes payment in full under any reimbursement agreement with Us, either directly or indirectly through a third party network with which the Provider has contracted to provide services at a negotiated, discounted rate. If a Provider accepts as full payment an amount less than the rate negotiated under the reimbursement agreement, the lesser amount will be the maximum Reasonable Charge.

The Maximum Benefit Amounts which apply to an Insured Person are shown in the Schedule of Benefits.

ACCIDENT MEDICAL EXPENSE BENEFITS

If, as a result of an Accident Injury which occurs while participating in a Covered Activity, an Insured incurs Covered Expenses during the Benefit Period specified in the Schedule of Benefits, we will pay:

1. Covered Expenses Incurred that exceed any applicable Deductible, specified in the Schedule of Benefits; and
2. as long as the first expense has been Incurred within the Loss Period specified in the Schedule of Benefits; and
3. until the total paid for Covered Expenses Incurred equals any applicable Benefit percentage, Benefit sub-limit, or maximum shown in the Schedule of Benefits; or
4. until the end of the Benefit Period shown in the Schedule of Benefits; or
5. until Benefits paid equal the Maximum Benefit Amount for the Accident Medical Expense Benefits shown in the Schedule of Benefits.

Covered Expenses for this Benefit means the Medically Necessary and Reasonable Charges for services, supplies, and treatment provided or prescribed by a Physician for which an Insured Person is required to pay, except as may be limited in the Schedule of Benefits and subject to all applicable conditions, exclusions and limitations.

We will pay Covered Expenses Incurred for dental treatment as a result of injury to a Sound Natural Tooth. For dental services, there is often more than one Service that can be used to treat a dental problem. In determining the Benefits, different materials and methods of treatment will be considered. The amount payable will be limited to the Covered Expense for the least costly Service, which meets commonly accepted standards of the American Dental Association. The Insured Person and his or her Provider may decide on a more costly procedure or material than We have determined to be satisfactory for the treatment of the condition. We will pay a Benefit toward the cost of the more expensive procedure or material, but payment will be limited to the Benefits payable for Covered Expenses for the least costly Service. We will not pay the excess amount.

When multiple surgeries are performed through the same incision at the same operative session, We will pay an amount not to exceed the Benefit for the most expensive procedure being performed.

ACCIDENTAL DEATH AND SPECIFIC LOSS BENEFIT

Payment for any Accidental Death and Specific Loss Benefit will be subject to all of the following conditions:

1. The Loss is caused solely by an Accident; and
2. The Loss is not excluded by the terms of the General Exclusions section of this Policy; and
3. The Accident must occur while the Insured Person is participating in a Covered Activity; and
4. The Loss must occur within 180 days after the date on which the Accident occurred.

RECOVERY RIGHTS

Right of Recovery
If the amount of the payment made by Us is more than We should have paid under the Policy, We may recover the excess from one or more of: (a) The person We have paid or (b) The person for whom We have paid. The amount of the payments made includes the reasonable cash value of any Benefit provided in the form of services.

CLAIM PROVISIONS

Notice of Claim
Written Notice of Claim must be given to Us or Our authorized representative within 20 days after a covered Loss starts, or as soon thereafter as is reasonably possible. Failure to provide notice within the required time period will not reduce or invalidate the claim if it was not reasonably possible to give such notice and the notice was given as soon as reasonably possible. Notice should include: (1) the Policy number; (2) the Policyholder’s name and address; (3) the Covered Group’s name and address; (4) the Insured’s name and address; and (5) the Claimant’s name and address. When we receive Notice of a Claim that does not contain all the necessary information a request for the missing information will be sent to the Claimant.

Claim Forms
Claim forms are provided to the Policyholder at the time the Policy is issued. If you ask us for a claim form, but you do not receive the form within 15 days after asking for it, then you should send written proof (or telephonic or electronic proof, if we have agreed to accept such forms) of your claim to us without waiting for the form. If not, the Proof of loss requirements can be met without using Our forms. Simply send a written statement indicating the date of the Injury as well as the nature and extent of the loss to Our Home Office or to one of Our representatives. Proof of loss must be sent within the time limits stated in the next paragraph.

Proof of Loss
Written Proof of loss must be sent to Our Home Office or to one of Our representatives within 90 days after: (1) the end of any period of Inpatient Confinement for which Claim is made; or (2) the date of Loss on any other Claim. Failure to furnish the Proof of Loss within the time required does not invalidate or reduce a claim if it was not reasonably possible to submit the Proof within the required time, if the Proof is furnished as soon as reasonably possible. We retain the right to make subsequent requests for Proof of loss if required to accurately evaluate and process the Claim. Failure of a Claimant to cooperate with Us in the administration of a Claim may result in the termination of a Claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether Benefits are payable or the actual amount due.

Payment of a Claim
We will pay Loss of life Benefits to the Insured’s Beneficiary on file with Us at time of payment. If more than one Beneficiary is shown, We will pay the applicable percentage specified to each. If no amount and/or percentage
are specified, We will divide the death Benefits equally among those Beneficiaries living at the time of the Insured’s death. We are not responsible for the validity of a Beneficiary designation or change. If there are no such Beneficiaries on file, or if none are living at the time of the Insured’s death, We will pay the death Benefits to: (1) the Insured’s estate; or (2) at Our option, to one or more of the first surviving class of the following classes of successive preference Beneficiaries — the Insured’s surviving: (a) spouse; (b) children; (c) parents; or (d) brothers and sisters, equally.

All other Benefits that are not assigned will be paid to the Insured if living; otherwise, at Our option, to those as shown in the paragraph immediately above.

If payment is to be made to: (1) an Insured’s estate; or (2) to an Insured or Beneficiary who is a minor or otherwise not competent to give a valid release, We may pay up to $1,000 to the Insured’s parent or legal guardian, to a person supporting the Insured, or to any family member of either the Insured or his or her Beneficiary whom We consider to be entitled to the payment.

Subject to any written direction of the Insured, or of the legal or natural guardian of the Insured if the Insured is a minor or otherwise incompetent to make such a direction, all or a portion of any indemnities provided by the Policy as a result of medical, surgical, dental, Hospital or nursing service may be paid directly to the hospital or person rendering such services provided, further, that authorization for any such payments has been obtained from the Insured. If payment is made to the Insured, in no event will We pay any amount greater than the amount actually paid by the Insured.

It is not required that a service be furnished by a specific Provider. Payments made by Us in good faith satisfy Our legal duty to the extent of the payment. All payments made by Us will be made in United States dollars.

**Time of Payment**
After receiving proper written Proof of loss, We will pay the periodic Benefits due, no less often than monthly (unless otherwise stated in the Policy), while the loss and our liability continue. When our liability ends, We will pay any balance still due after We receive the proper written Proof of loss. Benefits for other losses (including Covered Expenses) will be paid within 30 days after We receive proper written Proof of loss, or sooner if required by state law. If We fail to pay the benefit due within this time period, any applicable interest will accrue at the interest rate required by the state.

**Assignment**
We are not bound by an assignment of Benefits until We or one of Our representatives receives it in writing from the Insured (Insured’s parent, if a minor) or his or her legal guardian. We are not responsible for its validity.

**Physical Examination and Autopsy**
We reserve the rights to have a Physician of Our choice examine the Insured whose condition is the basis of a Claim. This may be done as often as reasonably necessary while a Claim is pending or while We are paying Benefits. We may also require an autopsy, unless forbidden by law. These will be at Our expense.

**Free Choice of Physician**
The Insured has a free choice of a Physician, Hospital, or other eligible Provider. The Physician-patient relationship will be maintained.

**Common Accident**
If the Insured and his or her Beneficiary die from the same Accident without enough evidence that both died other than at the same time, the Insured’s Benefits will be paid as if he or she died last.

**Legal Action**
No action at law or in equity to recover under the Policy may be brought against Us before 60 days after the time written Proof of loss has been sent as required by the Policy. No such action may be brought more than 3 years after the time written Proof of loss is required to be sent or after the expiration of the applicable statute of limitations, whichever is greater.

**Recovery of Overpayment**
Payments made by Us which exceed the appropriate amounts payable are recoverable by Us from or among any persons or other entities to whom such payments were made.

The Policy/Certificate is amended as described below. All other terms, provisions, limitations and exclusions remain unchanged except as specifically noted within this Benefit Rider.

We will not pay Benefits under the Basic Accident Medical Expense for Covered Expenses to the extent that they are collectible under another Health Care Plan.
