The Parents Guide to Google Classroom

Google Classroom is a tool for paperless communication between teachers & students.

- *Students* can communicate with classmates & teachers, participate in discussions, & hand in assignments.
- *Teachers* can post & grade assignments, start discussions, ask questions and facilitate classes digitally.
- *Parents* can receive Guardian Summaries **via email** to class activities, missing or upcoming work/assignments.
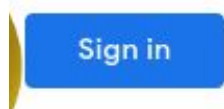

*Watch this Video Tutorial for Parents on how to get started: https://youtu.be/2Iowi-gmbys

Getting Started
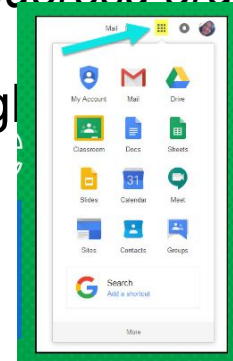

Step 1: Click on Google Chrome Browser.

Step 2: Go to www.google.com and click Sign In in the upper right corner.

Step 3: Use your child's secure username and password given to them from the school. Check with your child's teacher for this information! (*example: firstinitiallastname@belvideresd.org*)

Step 4: Click on the 9 squares (waffle) in the top right corner by your child's name!

Step 5: Click on Google Classroom!
