

The board guarantees equal employment, advancement opportunity and equal pay for equal work for all people regardless of race, creed, color, national origin, nationality, ancestry, age, sex, affectional or sexual orientation, gender identity or expression, marital status, domestic partnership status, familial status, liability for service in the Armed Forces of the United States, atypical hereditary cellular or blood trait of any individual, disability or because of genetic information or refusal to submit to or make available the results of a genetic test, pregnancy or other conditions not related to the duties and responsibilities of the job.

The chief school administrator shall have the responsibility of locating and recruiting the best qualified candidates to provide for the identified needs of the district. Recruiting practices shall include measures for targeting underrepresented populations in every category of employment.

The chief school administrator or his or her designee shall ensure that the district's employment application process and pre-employment inquiry and interview process conform to the guidelines of the New Jersey Division on Civil Rights and the Law Against Discrimination.

The board of education shall appoint all staff members only from nominations made by the chief school administrator. All appointments shall be by recorded roll call majority vote of the full membership of the board. The chief school administrator shall adhere to the following in recruiting and interviewing candidates:

- A. There will be no discrimination in the employment process in regard to race, creed, color, national origin, ancestry, age, sex, affectional or sexual orientation, gender identity or expression, marital status, domestic partnership status, familial status, liability for service in the Armed Forces of the United States, atypical hereditary cellular or blood trait of any individual, disability, nationality, or because of genetic information or refusal to submit to or make available the results of a genetic test, pregnancy, or other conditions not related to the duties and responsibilities of the job;
- B. All candidates must have training and/or actual work experience in the vacant position, and an acceptable level of proficiency; and
- C. It shall be the duty of the chief school administrator to see that persons nominated for employment shall meet all qualifications established by state or federal law, including the completion of a criminal history check and proof of citizenship or eligible alien status.

The chief school administrator is responsible for the preparation and maintenance of job descriptions that define the duties, responsibilities and qualifications required for each support position. The board shall adopt those job descriptions required by law or code and

RECRUITMENT, SELECTION AND HIRING (continued)

others as appropriate.

The employment of any candidate is not official until the contract is approved by the board of education and signed by the candidate. It shall be the responsibility of the chief school administrator to communicate this fact to all candidates.

Residency Requirements

Every employee hired by the board shall have their principal residence with the State of New Jersey. For the purposes of this policy an employee may have only one principal residence which shall be defined as:

- A. Where the employee spends the majority of their nonworking time;
- B. Is most clearly the center of the employee's domestic life; and
- C. The employee's designated legal address and legal residence for voting.

The fact that an employee is either domiciled or owns a home or property in the State of New Jersey shall not by itself satisfy the requirement of principal residence.

Exemptions

- A. An employee hired on or after September 1, 2011 who is not a resident when hired shall receive one year to establish residency in New Jersey. If the employee fails to establish residency within that year, he/she shall be deemed unqualified for employment and shall be removed pursuant to N.J.S.A. 52:14-7(d);
- B. An existing employee who was not a resident of New Jersey on or prior to September 1, 2011 is exempted from this policy. However, if he/she has had a break in public service for a period of time greater than seven days this exemption shall not apply;
- D. A break in public service shall be defined as an actual separation from employment for more than seven calendar days due to such causes as resignation, retirement, layoff, or disciplinary removal. But a leave of absence caused by accepting a new appointment within the district shall not be considered a break in public service;
- E. Any employee may request an exemption to the State committee formed under N.J.S.A. 52:14-7 on a basis of critical need or hardship. The decision on whether to approve an application of the employee shall be made by a majority vote of this committee. If this committee fails to act within 30 days after receipt of the employee's application, no exemption shall be granted and the residency requirements set forth in this policy shall be in effect.
